

Magic of Rotary  
**Thank You District 6900**

By Gordon Owens  
We do so many great things in our district and it has been fun to witness a good bit of it first hand. From spending time in your communities, doing service projects and supporting your fundraisers we have certainly seen the *Magic of Rotary* in action this year. Thank you for your hospitality as we visited your clubs. We shared some wonderful meals together and you always helped us find a good local beer after the hard work of Rotary was done for the day. While we are looking forward to a less hectic schedule next year, don't hesitate to continue to invite us to come serve with you. On behalf of Ashley and me, thank you again for an irresistible year in Rotary!

Congratulations!  
**Sheffield  
Award  
Winners**

By Gordon  
Owens

The single  
hardest task a  
governor in our  
district has may  
be picking the  
Sheffield Award  
winner. We  
have 67 clubs  
that do amazing  
work in their  
communities  
that are all lead  
by great  
Rotarians. So,  
picking just one  
person in each  
category takes  
a lot of careful  
consideration.  
This year we  
had a  
scoreboard to  
drive the  
decision on Club  
of the Year but  
The Sheffield  
Leadership  
Award has much  
more to do with  
an individual  
effort in setting  
a club up for  
success today  
and carry that  
club well into  
the future.  
Congratulations  
to Rick Perry of  
Henry County  
(Cat I), Rick  
Clark of North  
Fulton (Cat II),  
Dudley Larus of  
Decatur (Cat III)  
and Nancy  
Alterman of  
Roswell (Cat IV)  
on being named  
this year's  
Sheffield  
Leadership  
Society  
inductees.

## 2025 Council on Legislation

By Blake  
McBurney

Rotarians from all over the world met in Chicago, Illinois, USA, on 13-17 April to vote on proposed changes to the legislation that governs Rotary clubs. The representatives considered 78 proposals, such as:

- Increasing the dues that all members pay to Rotary International
- Allowing clubs to charter with as few as 15 members
- Allowing districts the option not to hold a district conference
- Allowing more governance model pilots beyond those being tested in districts in RIBI, New Zealand, and Australia

By Kathryn Igou  
Getting all your Rotary Club members to engage has always been a struggle. The saying goes that usually 20% of your members do 80% of the work. When 2024-25 Roswell Club President Nancy Alterman was planning for her year, she specifically focused on engaging the entire the entire club in service. Was it the bunny shirts? The diversity of projects? The fun factor? The flexibility? It was all that and more, and the club has moved that 20% to 84% participation this Rotary year. [more]
