District 6900 continues our commitment to disaster response and to the work of FODAC. Our Rotary Foundation

Seeing the Forest

by Bob Hagan, District 6900 Rotary Foundation Chair

By Bob Hagan

Everyone has heard the adage, “You can’t see the forest for the trees." It’s easy for us to get so caught up in what we are doing and our own projects that we sometimes fail to see how our projects roll up into the big, no really the huge picture of The Rotary Foundation. Even though we don’t yet have the final numbers from last year, the numbers we do have are quite impressive. The Rotary Foundation worldwide and the District had a great year. Just in District 6900, we had 19 Global Grants submitted which was a record for the district. And the District contributed over $69,000 to Zone 34 for Polio Plus, and awarded 59 Community Grants and seven Competitive Grants. And that's just a piece of the story. [more]
