Better Than Your Best

By Cynthia Edwards

Rotary has a way of surprising you. It surprises you when a stranger across the table becomes a lifelong friend. It surprises you when a small project in one neighborhood ripples outward in ways you never imagined. And it may surprise you when you realize that the person Rotary has changed most … is you.

That is why this year, we are called to harness the change within ourselves, to look to the future, and to ***Create Lasting Impact***.

The Ides of June ... 2026!

By Bob Hagan

While the Ides of March have an ominous ring in ancient history - marking the March 15 assassination of Julius Caesar, it also marks the middle of a month - a time to look back at what we've accomplished and ahead to our goals for the future. This June, the 15th marked the end of the Rotary International Convention in the beautiful city of Taipei, Taiwan - with more than 37,000 Rotary friends. Rotary Foundation Chair Holger Knaack inspired us with all The Rotary Foundation has accomplished and can be - based on the support of all of us. I want to share some of this with you ... along with my favorite photo from the convention. [more]

The evening serves as an opportunity for past presidents and the current Board of Directors to come together for fellowship, reflection, and leadership transition as the club prepares for a new Rotary year. More importantly, it provides an opportunity for incoming leadership to receive wisdom, encouragement, and perspective from those who have previously served in the role of club president. Amazingly, of the 29 living past Presidents of Roswell Rotary, 25 of them were in attendance! [more]
