 Navigating the OHSF scholarship was a little hard at first because I didn't know what to expect from going to a small town. Of course, I've heard people talking about how great of an experience the OHSF year is, but all the people I've heard saying this attended schools in big cities. I was assigned to come to Georgia Southwestern, which is in ... [View more](#)

The National Study of Women's Illness (NSWI) received 1,000 cases of illness from women in the United States and mailed and returned them to patients and the physicians. Issues

Things Cumberland Waterfalls and their children planting cress at the Good Samaritan Health Center for their spring/summer harvest. The Center harvests food from their plants for the residents who live in an area called a grocery store waste land, in other words an area where there are no grocery stores.

President Kent Barry Kania and the Global Networking Groups (GNG) Committee believe that Rotary Action Groups (RAGs) and Rotary Fellowships offer a value proposition to attract potential members and to provide opportunities to engage and retain existing members. Are you part of one of these groups? [Join the Conversation](#)
