VALUES

Our club values are embodied in the Rotary four-way test of the things we think, say or do:

• Is it the TRUTH?

• Is it FAIR to all concerned?

• Will it build GOODWILL and BETTER FRIENDSHIPS?

• Will it be BENEFICIAL to all concerned?

VISION

Our long-term club vision is to make our community better by developing:

• Successful individuals

• Engaged Youth

• Collaborative projects with other organizations in the community that include working closely with the current Interact organization sponsored by our club.

• Close Networking Relationships that help to develop our members both professionally and personally.
