Hotel – LP Hotel in Santa Cruz

Transportation to and from Airport

Transportation to and from Hospital daily

Breakfast and Lunch

Closing Ceremony (Catered Dinner)

Sunday	
6:30-7:00 am	Breakfast at hotel
7:00 am	Buses take the team to the hospital
7:30am – 12:00p	Patient assessments by surgeons, anesthesia, speech therapy, and pediatrics. RN's and support staff set up OR tables and PACU Administrators support patient registration, photos, and building the surgical schedule
12:00p – 1:00p	Lunch provided by the Rotary club (taken when team members have a break from their assessments and OR/PACU set-up)
1:00p – 4:00p (team members leave earlier or later depending on the work)	Continue with assessments until they are complete. Continue with the set-up until complete When assessments are complete, the surgeons and anesthesiology team build the surgical schedule
6:00 – 8:00pm	Dinner on your own at restaurants near the hotel

Monday - Friday	
6:30-7:00 am	Breakfast at hotel
7:00 am	Buses take the team to the hospital
7:30am – 12:00p	Surgery, Recovery, Speech Therapy work
12:00p – 1:00p	Lunch provided by the Rotary club (taken when team members have a break from surgery and recovery.)
1:00p – 5:00p (team members leave earlier or later depending on the work)	Continue with surgery, recovery, and speech therapy work
5:00p (rides back to the hotel)	Rides back to the hotel vary significantly based on when work is done for the day. The rotary club coordinates rides, usually with 2-5 people at a time.
6:00 – 8:00pm	Usually one night we have a shared team dinner, one night we have a dinner with the Rotary club, and the other nights dinner happens in smaller groups. Connect with people on the team to find a suitable dinner/social situation.

- Coordinates the trip by consolidating team information on a webpage
- Collects important information including credentials from each individual team member
- Registers the team with the Ministry of Health and the medical providers with temporary licensure
- Collects and shares travel information for the team
- Provides insurance for our team from our dues (costs \$250/team member)
- As a 501c3 non profit, manages donations made to the team

- Recruits the patients through media events and through social media
- Conducts a patient sign-up and registration prior to our arrival
- Provides followup for all patients, including those that received surgery
- Develops partnerships to expand our mission for comprehensive care (this year with the Catholic University in Bolivia and a National Orthodontic Organization)
- Coordinates in-country logistics including identifying the lodging for the team and for patients coming from long distances, provides incountry transportation for the team, provides food for the team at the hospital, coordinates a celebration meal for the team and the Rotary club.
- Coordinates with local customs instruments and supplies brought in by the team
- Are building a foundation for ongoing care and long-term sustainability
- Continues to build partnerships with other Rotary groups within Bolivia
